

PROCESS & FACTORY

AUTOMATION CONFERENCE 2024

Achieving Profitable Manufacturing through Automation

23rd November 2024

Pune International Exhibition and Convention Centre, Moshi, Pune

DAY – 1 Saturday, 23rd November 2024

09:00 AM – 09:45 AM: Registration and Arrival Tea/Coffee

09:45 AM – 10:15 AM: **Welcome & Inaugural Ceremony**

10:15 AM – 10:45 AM: **Opening Keynote Address**

Theme: Making Money Through Smart Automation: Where Process Meets Factory

- How automation is changing manufacturing today
- Ways to make both process and factory automation work together

10:45 AM – 12:00 PM:

Panel Discussion I

Theme: Making Energy-Heavy Industries and High-Precision Manufacturing More Profitable

Process Industries (Oil & Gas, Mining, Power, Chemicals):

- Using control systems to cut energy costs
- How digital copies of your plant can save money
- Smart ways to maintain equipment before it breaks
- Making your control room more efficient

Precision Manufacturing (Automotive, Electronics, Aerospace):

- Using robots to improve quality and speed
- Cutting waste in production
- Making complex assembly lines more efficient
- Using AI to spot defects early

Co-located Show

Organised By

12:00 PM – 01:15 PM:

Panel Discussion II

Theme: Boosting Profits in Consumer Goods and Life Sciences Manufacturing

Life Sciences & Food Production:

- Making batch production more efficient
- Following regulations while staying profitable
- Quick product changeovers without losing money
- Using automation to ensure product quality

Consumer Goods Manufacturing:

- Automating production lines step by step
- Handling different products on the same line
- Using collaborative robots to save costs
- Making packaging more efficient

01:15 PM – 02:30 PM:

Workshop

Theme: Automating Your Operations: A Practical Guide to Process and Factory Automation

Subtopics Include:

- How to check which parts of your business need automation
- Picking the right automation tools that fit your budget
- Making a step-by-step plan to automate your facility
- Measuring how much money you're saving
- Getting your team ready for automation
- Avoiding common costly mistakes

02:30 PM – 02:35 PM:

Closing Remarks and Thank You

02:35 PM Onwards:

Networking Lunch
